For Dyspepsia and Indigestion

If you Suffer from Indigestion, Dyspepsia, Gas on the Stomach, Belching, Sour Stomach, Heart-burn, etc., a little Kodol will Relieve you almost Instantly

Kodol supplies the same digestive juices that are found in a healthy stomach. Being a liquid, it starts digestion at once.
Kodol not only digests your food, but helps you enjoy every mouthful you eat.

You need a sufficient amount of good, wholesome food to maintain strength and health.

But, this food must be digested thoroughly, otherwise the pains of indigestion and dyspepsia are the result.

When your stomach cannot do its work properly, take something to help your stomach. Kodol is the only thing that will give the stomach complete rest.

Why? Because Kodol does the same work as a strong stomach, and does it in a natural way.

So, don't neglect your stomach. Don't become a chronic dyspeptic. Keep your stomach healthy and strong by taking a little Kodol. You don't have to take Kodol all the time. You only take it when you need it.

Kodol is perfectly harmless.

The Bed-Rock of Success

ies in a keen, clear brain, backed by indomitable will and resistless energy. Such power comes from the splendid health that Dr. King's New Life Pills impart. They vitalize every organ and build up brain and body. J. A. Harmon, W. Va., writes: "They are the best pills I ever used." See, at Jas. H. Orme's and Haynes & Taylor's.

Itch! Itch! Itch!

Scratch! Scratch! Scratch! Eczema is maddening and the more you scratch the more you itch. Your skin is on fire—your lips and mouth are dry with the agony of it—your whole body is worn out with the constant suffering—stop scratching—you can't put out the fire with your finger nails. Little's Liquid Sulphur stops itching instantly and because of its wonderful penetrating qualities comes in direct contact with and kills the germ that causes the disease. It quickly relieves any skin disease on earth—Eczema, Psoriasis, Herpes, Tetter, Shingles, Acne, Ringworm, Barber's Itch, Itch, Poison Oak, Ivy Poison, Erysipelas—all diseases of the skin or scalp whether caused by bacteria, contagion, weather, chafing or impure blood.
It is well known what a perfect antiseptic and germicide sulphur is—all day beach departments in drug stores where contagious diseases have been, with sulphur. Little's Liquid Sulphur is a secret preparation holding the sulphur in solution so that it gets right into the pores, enters the blood and goes direct to the seat of the irritation or disease. Look for the trade-mark—picture of red devil. Sample bottle sent post paid to any address for 10c. Rhema-Sulphur Co., St. Louis, Mo.

Here's Your Chance To Visit The Old World Free of Any Expense.

A great opportunity to secure the number of votes necessary to win membership in the Louisville Herald's Tour to southern Europe is presented in a special offer announced in connection with the Herald's Mediterranean trip contest.

Beginning Monday, Oct. 18th and continuing until Oct. 30th. The Louisville Herald will give twice the usual number of votes on all subscription payments made on account of the contest. This special offer applies to all new and old subscriptions for payments of one dollar or more. This offer will positively not be duplicated, and at no time in the contest will subscriptions count for as many votes as during the time of the double vote offer.

As an instance of how rapidly votes will count up under the special offer it is only necessary to state that with a single new subscription for three years a voting certificate for 14,600 will be given. This number of votes alone would be sufficient with the present standing to place any contestant in the lead in any

district and with votes to spare will be readily apparent how under the provisions of the double vote offer.

The next two weeks, while a magnificent vote can be secured under the provisions of the double vote offer, is in effect, is the time when the contestants already entered should prosecute their campaign with the greatest energy and vigor. In the instance of contestants who have considered entering but have not yet done so the special offer provides an exceptional opportunity to enter the contest for the trip and splendid chances for success. An appreciation of the wonderful of the special offer and of the work while the offer is in effect, be the means of winning the contestant membership in the Herald's Mediterranean trip.

The trip offered by The Herald will be a fascinating experience and will be as beneficial in an educational way as it is enjoyable and delightful. The trip will start on January 1, 1910, and two months will be consumed in visiting such wonderful interest as The Pyramids, Gibraltar, Genoa, Monte Carlo, Cannes, Milan, Venice, Rome, and Naples (Pompeii, Vesuvius). The voyages will be made on the magnificent and luxurious ocean greys of The Cunard Line, the "Gloria" and "Carmania". Every expense of the trip from the time the party leaves home until it returns will be borne by The Herald.

Twenty women will take the trip and those taking the trip brought home in the different districts.

Those who wish to be as happy twenty to go on this trip should communicate with the contest editor of the Louisville Herald. Full instructions for anyone who enters will be gladly given. Request made to the contest manager of The Louisville Herald, Louisville, Ky.

WHY WE CAN AFFORD TO DO THIS

We have been in business since 1860. Our goods are probably better known throughout the territory we cover than any other dealer in pianos. We will reach with this advertisement about 250,000 people, and impress our name upon the younger people who are soon going to be the piano buyers of the country. We will sell during this contest about as many pianos in ten days as we usually sell in four months and thereby not only get the benefit of an advertisement to 250,000 people but will save almost completely four months selling expenses, which will enable us to buy pianos in such large quantities that our factories will gladly share in this prize contest.

Our greatest return, however, is the lasting manner in which we will introduce our line of pianos to the coming piano buyers of the country, which is as follows:

STEINWAY & SONS.
CHICKERING & SONS
CONOVER.

IVERS & POND.
DECKER & SON.
